## Contents

The section describes when a share is acquired or disposed of.

Contents of chapter:

- Rule
- Overview of judgments, rulings, decisions, SKM announcements, etc.

## Rule

A share is acquired or disposed of at the time when there is a final and binding agreement on the acquirement or disposal.

### The importance of the time of acquisition and disposal

The time of acquisition can, e.g., have importance on the application of transitional rules for new legislation.

The time of acquisition can, e.g., be determinative as to what income year shall apply for the taxation and as to the effectiveness rules for new legislation.

When a shareholder owns shares with the same rights, which have been acquired at different times, the first acquired shares are considered first for disposal. See **The Danish Capital Gains Tax Act § 5**, para. 1. Shares that are restricted in accordance with **The Danish Tax Assessment Act § 7 A**, are, however, only included from the time when the restriction ceases. See **C.B.2.1.7.1** about which share that is considered for disposal (FIFO principle). See C.B.2.3.5 about profit and loss when entrepreneurial shares are disposed.

## Indhold

Dette afsnit beskriver, hvornår en aktie er anskaffet eller afstået.

Afsnittet indeholder:

- Regel
- Oversigt over domme, kendelser, afgørelser, SKM-meddelelser mv.

## Regel

En aktie er anskaffet eller afstået på det tidspunkt, hvor der er en endelig og bindende aftale om anskaffelsen eller afståelsen.

### Anskaffelses- og afståelsestidspunkternes betydning

Anskaffelsestidspunktet kan fx have betydning for anvendelsen af overgangsregler ved ny lovgivning.

Afståelsestidspunktet kan fx være afgørende for, i hvilket indkomstår beskatningen foretages og ved ikrafttrædelsesregler for ny lovgivning.

Når en aktionær ejer aktier med samme rettigheder, som er erhvervet på forskellige tidspunkter, anses de først erhvervede aktier for de først afståede. Se **ABL § 5**, stk. 1. Aktier, der er båndlagt efter **LL § 7 A**, regnes dog først med fra det tidspunkt, hvor båndlæggelsen ophører. Se **C.B.2.1.7.1** om hvilken aktie der anses for afstået (FIFO-princippet). Se C.B.2.3.5 om gevinst og tab ved afståelse af iværksætteraktier.
